

MICKEY WALKER GOLF SCHOOLS GOES TO GREECE COSTA NAVARINO – 9 TO 16 OCTOBER 2021

The Westin Resort Costa Navarino is located on the beautiful Peloponnese peninsula in south-west Greece, with many characteristics of an island venue. Beachfront located by the Ionian Sea, the resort is near the small city of Kalamata and 3 hours south west of Athens. Navarino Dunes has a 1.5km stretch of wonderful natural beach with golden sands; and offers two magnificent and contrasting golf courses, designed by Robert Trent Jones and Bernhard Langer, with varied designs and challenges.

Golf

The Dunes Course is the first signature-designed golf course in Greece, designed by Bernhard Langer. This championship course, set in a diverse natural landscape, offers spectacular sea and river views and incorporates some links-style features in areas closest to the sea. Parts of the course venture into olive and fruit groves, while some holes run along a small river – the Sellas – which meanders through the course, there are large undulating greens, wide fairways and steep-faced pot bunkers.

The Bay Course designed by Robert Trent Jones II, provides both a fun experience and a challenging test for all golfers. With the majority of tees offering sublime sea views and two holes playing along the historic Bay of Navarino, the course meanders through three distinct natural landscapes. The Seaside, Canyon, and Grove holes provide striking contrasts that create a dramatic and memorable golf round. Buggies included.
